

About Tech-One

Tech-One is a leading digital marketing agency that helps businesses grow their online presence and increase their ROI through innovative and data-driven strategies. We specialize in search engine optimization (SEO), content marketing, social media marketing, and website design and development.

As a company that values innovation, creativity, and teamwork, we offer a dynamic work environment that fosters professional growth and development.

We are looking for an **SEO Executive** to join our team. The successful candidate will be responsible for developing, executing, and managing SEO strategies.

They will be expected to stay up to date with the latest SEO trends and techniques, and have experience in keyword research, content optimization and link building.

Responsibilities:

SEO Executive has the following responsibilities and duties:

1. Develop and implement SEO strategies to increase organic traffic to websites.
2. Conduct keyword research to identify potential target audiences.
3. Optimize website content to improve organic ranking.
4. Upload Articles on the Website.
5. Support Team Leaders to finish the tasks assigned.

Requirements:

SEO Executive should have the following skills, education, and experience:

1. Bachelor's degree in Marketing, Business Administrator, or a related field.
2. 1+ year of experience with SEO
3. Proficient in both English and Vietnamese.

Benefits:

The SEO Executive will receive the following compensation:

- Salary: From 7,000,000 VND to 10,000,000 VND, depending on experience and qualifications.
- Working Time: Monday-Friday (8 am - 5 pm).
- Dynamic, young, and friendly environment with staff activities.
- Great career development opportunities in the Marketing field.
- Opportunity to express yourself, exchange, learn, and be trained and promoted.
- Social insurance, health insurance, and statutory leave policies.

Location: Ho Chi Minh City, Vietnam.
